

ADDENDUM NO. 1
REQUEST FOR PROPOSAL (RFP 10-01)
FOR
East Bay Greenway Project
Engineering, Environmental Clearance and Implementation Strategy

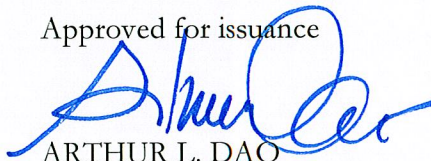

A Request for Proposal (RFP) for the Alameda County Transportation Improvement Authority (Authority or ACTIA) for the East Bay Greenway Project “Engineering, Environmental Clearance, and Implementation Strategy” has been issued.

This Addendum is being issued to modify the following section of the RFP:

The following information regarding the “Information Available to Proposers” in Section I shall be updated to reflect the additional resources available for review at the Authority’s office or on the Authority’s website. It will include the following:

- BART Technical Studies (Seismic Retrofit of BART Aerial Structures and Stations along the Concord, Richmond, Daly City and Fremont Lines)
 - Archaeological and Architectural History Area of Potential Effect Maps (August 31, 2006)
 - Archaeological Survey Report Exhibit III of HPSR (March 2007)
 - Historic Property Survey Report (March 2007)
 - Historical Resources Evaluation Report Exhibit I of HPSR (March 2007)
 - Location Hydraulic Study (November 2006)
 - Natural Environment Study (June 2007)
 - Noise and Vibration Technical Study (April 2007)
 - Preliminary Site Investigation (June 2007)
 - Right-of-Way Impact Assessment Technical Study (June 2007)
 - Traffic Technical Study (June 2007)
 - Visual Impact Assessment Technical Study (June 2007)
- CalTrans: Workplan Standards Guide for the Delivery of Capital Projects (July 2009, Release 10.1)

Approved for issuance

ARTHUR L. DAO

Deputy Director

Date of Issuance: June 3, 2010
