

Speaker Request Form

For presentations on

Alameda County Transportation Improvement Authority's Measure B

Program

The Alameda County Transportation Improvement Authority (ACTIA) is available to educate you and your organization about Measure B.

ACTIA administers Measure B, the half-cent transportation sales tax authorized by 81.5% of voters in 2000. The measure's funds, which will be collected through 2022, are used as vital funding for transportation projects, programs, and improvements throughout Alameda County. Guided by the Expenditure Plan, ACTIA partners with local jurisdictions, members of the community, the business community, and elected officials to deliver the specifically what voters approved.

Transportation is at the heart of everything we do. Upon request, our staff will host or travel to your organization to discuss and answer your questions about the Measure B projects that matter to you.

This is a free service. Please complete the form below, and fax it to 510-893-6489 to the attention of Keonnis Taylor, ACTIA Programs Coordinator.

Name of Organization _____

Contact name & number _____ (_____) _____

Email Address _____

Location / address of meeting _____

Number of members / attendees _____

Meeting format description (ie. lunch/dinner meeting; small group roundtable, etc.)
