

## NEWS RELEASE

**DATE:** January 12, 2009  
**CONTACT:** Tess Lengyel, ACTIA Programs and Public Affairs Manager  
**PHONE:** (510) 267-6111

### Permanent Closures

On the night of January 20, 2009, one lane of the off ramp to Center St. from Eastbound I-580 will be closed. This work is required to complete construction of the new off ramp to Grove Way and is part of the Route 580/Castro Valley Interchange Improvement Project.

Once the Grove Way off ramp is completed, in approximately 2 months, the entire Center St. off ramp will be closed, and traffic will utilize the Grove Way off ramp.

The schedule for this closure may change due to the unforeseen impacts of inclement weather.

### **Project Description:**

The project involves improving access to and from I-580 in Castro Valley. The improvements include creating a full interchange at Redwood Road (i.e. adding a new eastbound on-ramp and westbound off-ramp), constructing a new eastbound off-ramp from I-580 to Grove Way, and removing two existing ramps: the eastbound off-ramp to Center Street and the westbound on-ramp from Castro Valley Boulevard.

For more specific project information, see <http://www.acta2002.com/I-580.html>
